Gurudev in México

His Divine Srila Bhakti Sundar Govinda Dev Goswami Maharaj
arrived here to distribute his affection, love and mercy.

Saturday 19th October 2007

Dear devotees

Please, accept our humble obeisances to your dedicated feet.

We are extremely happy to report to you the transcendental arrival of Srila Gurudev to Mexico. Almost 300 devotees and friends arrived to the port and city of Veracruz, which is now immersed in the nectarine and sweet environment that Srila Gurudev and dear associates created with their visit to Mexico. Sripad Bhakti Kusum Ashram Maharaj and Srimati Madhuchanda Didi headed the devotees who welcomed him at the airport and Srila Gurudev lovingly accepted their affection with beautiful glances and smiles.

A program of a whole ten days is starting with so much enthusiasm and happiness. Srila Gurudev came in Sunday to the new Temple where Their Lordships, Sri Sri Guru Gauranga Gandharva Nandanandana are going to be installed by Him very soon. We heard his transcendental words which enlivened our Krishna consciousness and he blessed our thirst with his sacred darshan. Accompanying him were Sripad Goswami Maharaj, Sripad Janardan Maharaj, Sripad Ashram Maharaj, Sripad Siddhanti Maharaj, Sripad Giri Maharaj, Sripad Parvat Maharaj and Sripad Sruatasrava Prabhu, and devotees of Ecuador, Venezuela, United States of America, and other places who blessed also all Mexican devotees with their presence.

With our humble obeisances and affection,

Bhagavan Das
